It's all in my head! Why is this happening to me? Go away! Please just leave me alone, I will give you anything you want. Money, jewelry, a better life. What do you want from me? What is it hunh? What do you like about me, it it my hair? My smarts? My riches or are you just attracted to me? Please just tell, I'll do anything if you will just leave me alone!

One spooky afternoon on Galveston Island he was walking along the boardwalk and thought he saw something, but he did not know what exactly it was. So he looked a little harder and harder and harder when he clearly saw a figure of his dead dad. The man said "Dad is that really you?" The figure said "Yes it is but I have come to kill you!" "Why do you want to kill me is there something I did wrong?" "Yes there is but I am not telling you, you will just half the to figure that out yourself."

That night the man woke up at all times of the night having nightmare about that dreadful day on the boadwalk. He thought to himself why, what did I do for my dead dad to want to kill me? I wonder was it that time when I stole a candy bar from the conveient store, but I was only six I did not know any better.

The next day he got out of bed and went to the bathroom for a nice relaxing shower when he was startled by a man with a knife standing right next to him in the shower. He thought how did I not see him at first. Not knowing that it was just his roommate he ran and called the cops. When they got there they looked in the shower and his friend was dead on the bottom of the shower floor with a cut to the throat. He screamed in fear and thought was this my dads doing? But he is dead he died thirty years ago! The cops asked the man he dob and his name, the man said my name is Charlie Rothenburger, and my date of birth is April 21, 1960.
